Here are 5 flashcards on the Indus Valley Civilization (IVC):

Flashcards: Indus Valley Civilization (IVC)

Flashcard 1

* **Q1: By what other name is the Indus Valley Civilization (IVC) commonly known?**

* **A1:** It is also known as the **Harappan Civilization**.

Flashcard 2

* **Q2: Name two major sites (cities) of the Indus Valley Civilization.**

* **A2:** Two major sites are **Harappa** and **Mohenjo-Daro**. (Other examples: Lothal, Dholavira, Kalibangan).

Flashcard 3

* **Q3: What was a unique and advanced feature of IVC town planning?**

* **A3:** They had highly advanced **urban planning** with a grid pattern layout, well-organized drainage systems, and cities often divided into a citadel and a lower town.

Flashcard 4

* **Q4: Who were the key archaeologists involved in the initial discovery and excavation

of Harappa and Mohenjo-Daro?

* **A4:** **Dayaram Sahni** (Harappa, 1921) and **R.D. Banerji** (Mohenjo-Daro, 1922) were instrumental in their initial excavations.

Flashcard 5

* **Q5:** What were the primary economic activities of the people of the Indus Valley Civilization?

* **A5:** Their primary economic activities included **agriculture** (growing wheat, barley), extensive **trade** (both internal and with distant lands like Mesopotamia), and various **crafts** (pottery, bead-making, seal-making).
